SOC 2 Type 2 Compliance

Unqualified Opinion
In our opinion, in all material respects:

a) The description presents Timefold's system that was designed and implemented throughout the period May 15, 2025 to August 15, 2025 in accordance with the description criteria.

b) The controls stated in the description were suitably designed throughout the period May 15, 2025 to August 15, 2025, to provide reasonable assurance that Timefold's service commitments and system requirements would be achieved based on the applicable trust services criteria, if its controls operated effectively throughout the period, and if the subservice organization and user entities applied the complementary controls assumed in the design of Timefold's controls during that period.

c) The controls stated in the description operated effectively throughout the period May 15, 2025 to August 15, 2025, to provide reasonable assurance that Timefold's service commitments and system requirements were achieved based on the applicable trust services criteria, if the complementary subservice organization and complementary user entity controls assumed in the design of Timefold's controls operated effectively throughout the period.

Prescient Assurance LLC confirms SOC 2 Type 2 compliance by Timefold in accordance with the AICPA's Trust Service Criteria for Security.
